

Welcome to Webinar Wednesday!

Q&A With Gary Brady

Q- Several things to do on a regular basis.

A – Do something everyday. Expand your list. Stay connected with your upline and call your downlines weekly.

Q- Negative comments on YouTube.

A- It is always present with any company/opportunity. The internet is impersonal. Grow in your warm market with people you know. Competitors often throw stones.

Q- How often do you follow up with new members to get them excited?

A – By one week for sure to make sure that they have their product, ask them what they like best, plant seeds with the referral program and let them know they may be able to offset the cost of their product.

Q – Fridge Bricks in the Gold Pack?

A – A great way to start new members with product and use them as samples. \$750 in the first 90 days to qualify for the top level of earning opportunity. It doesn't have to be a builder pack.

Q – Do people sign up on the phone or in person?

A - Meet with them in person if possible so that can see and hear your story and see your excitement. Plus they can try the product in front of you. Use the MyVemma CDs to get the presentations out or use MyVtraining.com to let them see Ruth, Jeff and Gary.

Q – Phone numbers of downlines beyond 2 levels?

A – Uplines on VemmaSuite may have access. Vemma Corp might help, but contact the enroller if you can.

Q – How do you change a customer to a member?

A – Call 800-577-0777 and let them know that the customer wants to become a member.

Q – Best step to start sharing Vemma?

A – What part interests them, the product or the opportunity. Why Vemma CDs work well to help determine that interest level. THE BEST way is to get them a sample and have them drink it in front of you.

Q -Aches and Pains, how long will it take?

A – Just one dose a day and it takes different amounts of time with varying results for people.

Q – Will there be a warehouse in Canada to offset shipping costs?

A – Not sure, sounds like the East Coast of the States next. Email to bk@vemmas.com

Comment – Lots of VEMMA on hand. People need to fill the shot glass to the top!!! Thanks Mary!

Q- Are the videos downloadable and able to be saved?

A- No, DVDs are available that can help for presentations.

Q – Al Bundy video to the link library.

A- We'll see.....

Q/A – Customer on Autoship, then just call the 800 number and switch the status to member.

Q- BK autostart on Vemma walk about?

A – Enable or Disable in Account Settings.

Q – Do you have to take Vemma with food?
